**TO WHOMEVER IT MAY CONCERN**

This is to certify that **Aswathi Saji** final year BTech. Computer Science Engineering student of Govt. College of Engineering Kannur has successfully completed her internship with Deepflow Technologies Pvt. Ltd. during the period 07-06-2021 to 31-01-2022.

During her tenure as a **Project Intern**, she closely worked with the Web Development team in developing dedicated Web App for the critical stakeholders supporting farmers as part of the venture's prestigious ag-tech offering supported by NSRCEL IIM Bangalore, Krishi Vigyan Kendra Kannur and Pepper Research Station Kannur.

We wish her all the very best for her future.

With Regards,

Atthri Anand  
Managing Director
